

No Bullshit

Chris Brown

3 in the morning
You know I'm horny
So why don't you come over my place?
Put a smile on my faceLeavin' the club
Shawty hurry up
So we can get this party started
And take off our clothes nowYou already know what time it is
Reach up in the dresser where them condoms is
And baby, when I get it, I'll never let it go
Gonna take it slowWe ain't gon' stop till 9 a.m.
If you can't take it all, baby, say when
Make you come over and over again
And I'ma leave it inWhen we do it all night
We can do it all night
Girl, I'ma give it to you all night
So fly, girlDon't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
So fly, girlNow there's one or two things that can happen at this time of the hour
So baby, after we get out of the shower
You can race me to the bed
Turn off all the lights and light some candles insteadOh yeah, I can hear your body calling, baby
Oh yeah, we gon' get freaky, you know
Darlin', you know what time it is, get it in
I'mma do it allWe ain't gon' stop 'til 9 a.m.
If you can't take it all, baby, say when
Make you come over and over again
And I'ma leave it inWhen we do it all night
We can do it all night
Girl, I'ma give it to you all night
So fly, girlDon't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)

So fly, girlWe can do it all, all night, girl
We can do it all, all night, girl
We can do it all, all night, girl
We can do it all, all night, baby, all night, yeahAll night
We can do it all night
Girl, I'mma give it to you all night
So fly, girlDon't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
So fly, girlDon't you be on that bullshit
Don't you be on that bullshit
Don't you be on that bullshitWhen you leavin' the club
I just want you to come over, girl
