3 in the morning You know I'm horny So why don't you come over my place? Put a smile on my faceLeavin' the club Shawty hurry up So we can get this party started And take off our clothes nowYou already know what time it is Reach up in the dresser where them condoms is And baby, when I get it, I'll never let it go Gonna take it slowWe ain't gon' stop till 9 a.m. If you can't take it all, baby, say when Make you come over and over again And I'ma leave it inWhen we do it all night We can do it all night Girl, I'ma give it to you all night So fly, girlDon't you be on that bullshit (All night) Don't you be on that bullshit (All night) Don't you be on that bullshit (All night) So fly, girlNow there's one or two things that can happen at this time of the hour So baby, after we get out of the shower You can race me to the bed Turn off all the lights and light some candles insteadOh yeah, I can hear your body calling, baby Oh yeah, we gon' get freaky, you know Darlin', you know what time it is, get it in I'mma do it allWe ain't gon' stop 'til 9 a.m. If you can't take it all, baby, say when Make you come over and over again And I'ma leave it inWhen we do it all night We can do it all night Girl, I'ma give it to you all night So fly, girlDon't you be on that bullshit (All night) Don't you be on that bullshit (All night) Don't you be on that bullshit (All night)

So fly, girlWe can do it all, all night, girl We can do it all, all night, girl We can do it all, all night, girl We can do it all, all night, baby, all night, yeahAll night We can do it all night Girl, I'mma give it to you all night So fly, girlDon't you be on that bullshit (All night) Don't you be on that bullshit (All night) Don't you be on that bullshit (All night) So fly, girlDon't you be on that bullshit Don't you be on that bullshit Don't you be on that bullshitWhen you leavin' the club I just want you to come over, girl
