

Sometimes

Sister Hazel

By simple definition I'd be scattered, Oh where do I begin
Well I'm stuck within the mortal framework
Of having to use words
And I, I've never been one
I've never been one for incompleteness My attempts to say - never find their way nah uh
(All these things they escape me)
inconsistency is inconsistency within this conversation yeah! [Chorus]
Sometimes: You know there's no limits and
Sometimes: I'm a mother, I'm a brother, I'm a lover and another
Sometimes: I'm scared but sometimes I'm a hero
Sometimes: But mostly I'm just me! In some regards I'd use the term eclectic
The merging of experience
And different points of view - oh yeah
Well I think, I learn, I listen and
I sift my way right through
And I, I'm always the one
I'm always the one with fascination yeah My attempts to say - never find their way nah uh
(All these things they escape me)
inconsistency is inconsistency within this conversation yeah! [Chorus: x2]
