Lean On Me

Melba Moore

Just let me walk
This road of life with you
Step by step, uphill or down
No matter where it's leading toReach out and take my hand
If you should find a hill along the way too steep to climb
(Lean on me) Lean on me
I'll never let you fall
(Lean on me) Lean on me
I'll keep you standing tallOh, somehow together we'll make it
Please let me dream
The dreams that you're dreamin' of
Whether big or small
All together we could make them all come true
My loveYou can dream the impossible with all your heart
But if you find that your dreams are falling all apart
(Lean on me) Lean on me
Never let you fall
(Lean on me) Lean on me
Keep you standing tallOh, somehow together we'll make itOh... oh... ho... dream the impossible with all your heart
But if you find that your dreams keep on falling all apart
(Lean on me) Come on and lean on me, my darlin'
I will never let you fall, ooh...
(Lean on me) Lean on me, I kept help it
Keep you standing tall
Oh, somehow together we'll make it
Somehow together we'll make it
Ooh, we gonna make it together
Oh... oh... oh... gonna make it together
I know that we gonna make it, yeah, yeah, yeah, together
I got to believe, gonna make it, oh, oh, oh, oh, together
Hey... hey... make it
Make it, make it, make it, make it if you lean on me
Oh, make it
Make it, make it, make it, make it if you lean on me
Oh... said make... it
