

Why (Single Version) [Bonus Track]

The Byrds

Keep sayin' no to her since she was a baby

Keep sayin' no to her, not even maybe

Why?

Why? You say there's a limit there, she can't go past that

She don't believe you, she don't think that's where it's at

Why?

Why? Say she can't change that, it's the way you've always done it

She don't care about that, she thinks you've just begun it

Why?

Why? You say it's a dead old world, cold and unforgiving

I don't know where you live but you're not living

Why?

Why?
