Slow It Down

Charlie Puth

[Verse 1]
I got a situation, this girl been stressin' me
Sayin' she better be the only one
My life is complicated, she's only 23
I'm not the guy that she's supposed to love[Pre-Chorus]
Oh, the more that I tell her I'm not stayin' over
The harder she makes it to go
Oh, the more that I try to convince her this won't work
The faster she takes off her clothes[Chorus]
Girl, you gotta slow it down (girl, you gotta slow it down)
I'm not tryna fall for you
Girl, you gotta slow it down (girl, you gotta slow it down)
I can't give it all to you
Even though I want to
[Verse 2]
She knows just what she's doin', she fuckin' with my head
Wrappin' her legs so tight around my waist
2 in the afternoon, but, we still ain't out of bed
No matter what, she always gets her way[Pre-Chorus]
Oh, the more that I tell her I'm not stayin' over
The harder she makes it to go
Oh, the more that I try to convince her this won't work
The faster she takes off her clothes[Chorus]
Girl, you gotta slow it down (girl, you gotta slow it down)
I'm not tryna fall for you
Girl, you gotta slow it down (girl, you gotta slow it down)
I can't give it all to you
Even though I want to
Even though I want to, oh, yeah
[Bridge]
You got to slow it, slow it down, baby
You got to slow it down
You don't know what you're doin' to me now
You got to slow it, slow it down, baby
Oh
You got to slow it down
Oh[Chorus]
Girl, you gotta slow it down (girl, you gotta slow it down)
I'm not tryna fall for you (I'm not tryna fall, baby)

Girl, you gotta slow it down (girl, you gotta slow it down)
I can't give it all to you
Even though I want to
Girl, you gotta slow it down, yeah, yeah
