

# Never Say Die

## Sleigh Bells

Ladies Drinks Power Hour (x8) Maybe it's this power (x8) You know you want one  
Because you want another  
We'll all want to die  
We never say die  
I'd like to try to  
Sit down beside you  
But when I say die  
I don't mean a machine I'm not prepared to  
I only met you  
I want to tell you  
Or hypnotize you  
Of all the things I'm  
Talking about time Help me die die I'll live through I'll be good  
I'll live good I'll be good  
I'll wake up I'll break up  
I'll wake up I'll wake up Help me die die Ladies Drinks Power Hour (x8) Maybe it's this power (x8) You took a  
want of war  
In the Michelin door  
You die in a war  
In the African metaphor  
Funky dunk the shape  
Of the sterile tape  
But when I say die  
I don't mean a machine (x2) I'm not prepared to  
I only met you  
I want to tell you  
Or hypnotize you  
Of all the things I'm  
Talking about time Help me die die I'll live through I'll be good  
I'll live good I'll be good  
I'll wake up I'll break up  
I'll wake up I'll wake up Help me die die Die die
