

# Ride My Tempo

Ida Corr

Early morn 7 9, I was born on time  
Mama singing by my side  
Daddy there standing by  
Took a while for I to see  
Exactly what your giving me  
Now that I'm woman grown making  
Heads turn on my own And nobody's gonna bring me down  
Aint nobody who can touch me now  
Cuz nobody else has got what I've got  
Nobody else gonna make it this hot  
My words, my rythm, have you heard what I'm giving Uh uh you on the dancefloor  
Can you ride on my tempo  
Uh uh you in the yard  
Are we making you sweat  
Uh uh up on the pavement  
Are you feeling this tempo  
Uh uh it aint hard  
We gonna ride it trough the night So now your feeling my style  
Is breaking down for a while  
We got you running for miles and I'll tell you why  
Taking you for a trip so let you back bone slip  
Lick your lip double dip baby moove your hip  
Wanna take you away  
From the pain let me say everyday  
Aint the same as yesterday  
Cuz life is gritty and dark in the city  
Uh ah what a pitty  
Better leave i all behind Chorus and nobody... Uh uh...
