Waiting

Finch

Today is just like all the others
I'm not alright I've cried my last tears
I'm bleeding out my pain
As you scream at me
You've got me waiting by myself
I never wanted more than this
What will it take to get the truth?
I'm on my knees
Another page of 'I'm sorry's'
Addressed to me
Another story for the collection
Of memories folded neatly
You've got me waiting by myself
I never wanted more than this
What will it take to get the truth?
I'm on my knees

You've got me waiting by myself
I never wanted more than this
What will it take to get the truth?
I'm on my knees
And I will never make the same mistake
And I will never make the same mistake
And I will never make the same mistake
And I will never make the same mistake
You've got me waiting by myself
I never wanted more than this
What will it take to get the truth?
I'm on my knees
You've got me waiting by myself
I never wanted more than this
What will it take to get the truth?
I'm on my knees
