Before I Let You Go

Freestyle

I can still remember yesterday
We were so in love in a special way
And knowing that you love me
Made me feel, oh, so right

But now I feel lost,
don't know what to do
Each and everyday I think of you
Holdin' back the tears
I'm trying with all my might

Refrain:
Because you've gone and left me
standin' all alone
And I know I've got to face
tomorrow on my own
But baby

Chorus:
Before I let you go
I want to say I love you
I hope that you're listenin'
'Coz it's true, baby, oh yeah
You'll be forever in my heart
And I know that no one else will do
So before I let you go
I want to say "I love you"

I wish that it could be
just like before
I know I could've given you
so much more
Even though you know
I've given you all my love
I miss your smile, I miss your kiss
Each and everyday I reminisce
'Coz baby it's you
that I'm always dreamin' of

Repeat Refrain & Chorus

Bridge:
Letting love go is never easy
But I love you so
That's why I set you free
I know someday, somehow
I'll find a way
to leave it all behind me
Guess it wasn't meant to be
But baby

Before I let you go
I want to say I love you
I hope that you're listening'
'Coz it's true, baby, oh yeah
You'll be forever in my heart
And I know that no one else will do
So before I let you go
I want to say...
So before I let you go
I want to say "I love you
