

# Heaven

## U96

Feels like in heaven...  
Call it love, call it sin  
It's the state I'm in  
Feels like in heaven

I am blessed and obsessed  
Mysterious angel  
Feels like in heaven

Heaven... Wonder...  
Angel... Danger...

Let's taste it and waste it  
Forbidden fruit  
Feels like in heaven

To measure the pleasure  
To melt in emotions  
Feels like in heaven

Heaven...  
Feels like in heaven...

Angel... Danger...  
Call it love  
Feels like in heaven  
Call it sin  
Heaven...  
Feels like in heaven

Two lovers, two sinners  
A poison kiss  
Feels like in heaven

Baby stay what you are  
Strong propaganda  
Feels like in heaven
