

# If I Ruled The World

[Jamie Cullum](#)

If I ruled the world,  
Every day would be the first day of spring.  
Every heart would have a new song to sing,  
and we'd sing of the joy every morning would bring.If I ruled the world,  
Every man would be as free as a bird.  
Every voice would be a voice to be heard,  
take my word we would treasure each day that occurred.My world would be a beautiful place  
Where we would weave such wonderful dreams.  
My world would wear a smile on its face,  
like the man and the moon has, when the moon beams.(piano solo)If I ruled the world,  
Every man would see the world was his friend. Yeah  
There'd be happiness that no man could end,  
no my friend, not if I ruled the world.Every hand would be held up high,  
There'd be sunshine in everyones sky.  
If the day ever dawned,  
will I rule the world.Every hand would be held up high,  
Every star would shine in everyones sky.  
If the day ever dawned,  
will I rule the world.
