

# Lovesick Riddim (Hawk Remix)

## Cover Drive

(Chorus)

Oh I, I wonder where you are  
Boy after dragging us through all this mess  
All but the truth I've forgot to confess(Verse)  
There's a pounding in my head  
Another teardrop on my pillow  
Hear that song there on the radio  
They're calling it the Lovesick Riddim(Pre-Chorus)  
I just wanna say I was wrong  
And I need you more than I let on(Chorus)  
Oh oh oh

Oh I, I wonder where you are  
Boy after dragging us through all this mess  
All but the truth I've forgot to confess  
Oh I, I wanna love you  
Would you be willing?  
Could you be forgiving?  
And believe I do(Verse)  
The heat outside don't compare  
To the fever that's taking me victim  
I feel you everywhere I go  
But only see you when I'm dreamin(Pre-Chorus)  
I just wanna say I was wrong  
And I need you more than I let on(Chorus)  
Oh oh

I wonder where you are  
Boy after draggin' us through all this mess  
Allbut the truth I've forgot to confess  
Oh oh

I wanna love you  
Would you be willing?  
Would you be forgiving?  
And believe I do(Bridge)  
If you can hear me now  
I love you, please don't doubt  
I've figured it out  
I can't live without you  
I'd do anything to see you again  
If I can go back now

We're sitting on my couch  
I wouldn't shout  
Would not shut you out  
I wouldn't be lyin' here with this Heavy pounding in my head  
They callin it the Lovesick Riddim(Chorus1)  
Oh oh  
I wonder where you are  
Boy 'cause I came to do all this mess  
Oh but the truth I've forgot to confess(Chorus2)  
Oh oh  
I wanna love you  
Would you be willing?  
Would you be forgiving?  
And believe I do(Chorus1)  
Oh oh  
I wonder where you are  
Boy 'cause I came to do all this mess  
Oh but the truth I've forgot to confess(Chorus2)  
Oh oh  
I wanna love you  
Would you be willing?  
Would you be forgiving?  
And believe I do
