Taking Back Sunday

All our secrets they are tailored trouble
Draped loose now around your hips
Your spotless instincts are valid
We co-exist

Got 26 days to work with (got 26 days)
Got 26 days to work with
(It moves, it moves, it moves)
We'll see what all gets done

I'm an addict for dramatics
I confuse the two for love
"You can tell me that you don't beg"

Liar (liar)
If we're keeping score
We're all quiet boys at best
(Intrusive and arrogant)
Liar (liar)
If we're keeping score
We're all choir boys at best
(Intrusive and arrogant)

Got 26 days to work with (got 26 days)

Then back on that island that you swear by
Still barely can afford
It's still a question of "How long will this hold?"
"Is it any different now that we are"
(I said we are patient)
"Oh, don't you go there, not here, not now"
(It moves, it moves, it moves)
Not here, not now

I'm an addict for dramatics
I confuse the two for love
"You can tell me that you don't beg"

Liar (liar)
If we're keeping score

We're all choir boys at best
(Intrusive and arrogant)
Liar (liar)
If we're keeping score
We're all choir boys at best
(Intrusive and arrogant)

We're all choir boys at best!

Liar (liar)
If we're keeping score
We're all choir boys at best
(Intrusive and arrogant)
Liar (liar)
If we're keeping score
We're all choir boys at best
(Intrusive and arrogant)
Liar (liar) Liar (liar)
It takes one to know one
