

I Think I Can Hear You

Carole King

What must I do
How can I serve you
Is it true what I do is the way
To be near you I'm listening
Though sometimes
I can't hear you Looking around
Fills me with wonder
At the way you can keep
This old world running smoothly
Thinking of you always
Seems to soothe me I know you're probably
Not a man or a woman
Or a time or a season But I'm here, and life is dear
And I guess that's a good
Enough reason to say Just let me do
What you put me here to
Let me be what you want me to be
And I hope it'll cheer you I'm listening
And I think
I can hear you Even when I thought I didn't believe
You believed in me
And everyone is a part of you
And anyone can know you
All they've got to do is be I'm listening
And I think
I can hear you
