I Think I Can Hear You

Carole King

What must I do How can I serve you Is it true what I do is the way To be near youI'm listening Though sometimes I can't hear youLooking around Fills me with wonder At the way you can keep This old world running smoothly Thinking of you always Seems to soothe meI know you're probably Not a man or a woman Or a time or a seasonBut I'm here, and life is dear And I guess that's a good Enough reason to sayJust let me do What you put me here to Let me be what you want me to be And I hope it'll cheer youI'm listening And I think I can hear youEven when I thought I didn't believe You believed in me And everyone is a part of you And anyone can know you All they've got to do is beI'm listening And I think I can hear you
