

My Name Is Jonas

Weezer

My name is Jonas
I'm carrying the wheel
Thanks for all you've shown us
But this is how we feel
Come sit next to me
Pour yourself some tea
Just like grandma made
When we couldn't find sleep
Things were better then
Once but never again
We've all left the den
Let me tell you 'bout it
The choo-choo train left right on time
A ticket costs only your mind
The driver said hey man we go all the way
Of course we were willing to pay
My name is Weezer
I gotta box full of your toys
They're fresh out of batteries
But they're still makin' noise
Tell me what to do
Now the tank is dry
Now this wheel is flat
And you know what else?
Guess what I received
In the mail today
Words of deep concern
From my little brother
The building's not goin' as he planned
The foreman has injured his hand
The dozer will not clear a path
The driver swears he learned his math
The workers are goin' home!
My name is jonas
