

# It's the Little Things

[Alice Cooper](#)

You can burn my house, you can cut my hair  
You can make me wrestle naked with a grizzly bear  
You can poison my cat, baby I don't care  
But if you talk in the movies, I'll kill you right there  
It's the little things, it's just the little things  
Aw, it's the little things, it's just the little things  
Yeah, it's the little things that drive me wild  
I'm like a mad dog, I'm on a short leash  
I'm on a tight rope, hanging by a thread  
I'm on some thin ice, you push me too far  
Welcome to my nightmare, no more Mr. Nice Guy  
You can steal my car and drive it into the lake  
You can stick me in the oven and put it on bake  
You could throw a big brick through my window pane  
But if I ever hear you ask me how I got my name  
It's the little things, it's just the little things  
Aw, it's the little things, it's just the little things  
Yeah, it's the little things that drive me wild  
I'm like a mad dog, I'm on a short leash  
I'm on a tight rope, hanging by a thread  
I'm on some thin ice, you push me too far  
Welcome to my nightmare, no more Mr. Nice Guy  
I've done it all, I mean I been everywhere  
I've been beaten, I been stabbed  
I been hung, I been buried alive  
And I can deal with that but it's the little things  
I've done it all, I mean I been everywhere  
I've been beaten, I been stabbed  
I been hung, I been buried alive  
And I can deal with that 'cuz it's the little things  
It's the little things, it's just the little things  
Yeah, it's the little things, just the little things  
Aw, just the little things that drive me wild  
I'm like a mad dog, I'm on a short leash  
I'm on a tight rope, hanging by a thread  
I'm on some thin ice, you push me too far  
I'm just a psychopathic, psychopathic  
I'm like a mad dog, I'm on a short leash  
I'm on a tight rope, hanging by a thread  
I'm on some thin ice, you push me too far  
Welcome to my nightmare, no more Mr. Nice Guy  
It's just the little things, aw, it's the little things  
It's just the little things
