

You Are the Shepherd

African Children's Choir

You are the shepherd I belong to you
When I walk on rough ground you can guide me through
You know my name you know my voice
Before I was born I was your choice
Show me how to follow Lord keep me close to you
You are the shepherd I belong to you.

You are the shepherd I belong to you
When I walk on rough ground you can guide me through
You know my name you know my voice
Before I was born I was your choice
Show me how to follow Lord keep me close to you
You are the shepherd I belong to you.

Open eyes to see you are the way
Open ears to hear you are the truth
Open heart to know you are the Lord of life
For everyone you hold a special plan.

Show me how to follow Lord keep me close to you
You are the shepherd I belong to you.
