I'm Your Woman

Karyn White

Boy I'll never trade ya, or let another woman take ya
I'm holding on to what I've got, I'm not a fool
My girlfriends think I'm crazy, but I never let it phase me
When they criticize the love I feel for you
'Cause I'm your woman and I want the world to know it
So I try my best to show that I love you
I'm your woman, oh baby don't you know it?
If you don't just let me show ya, I love you
I love you, I love you, I love you
And I'm so proud to be your woman
I love you, I love you, I love you
Baby I love you
Boy I couldn't stand it, if you took my love for granted
'Cause I cherish all the time I spend with you, yes I do
To be in love is special, it's worth more than any treasure
Loving you forever is all I wanna do
'Cause I'm your woman and I want the world to know it
So I try my best to show that I love you
I'm your woman, oh baby don't you know it?
If you don't just let me show ya, I love you
I love you, I love you, I love you
And I'm so proud, so proud to be your woman
I love you, I love you, I love you
Really, really love you boy
It's something about the way you make me feel
It keeps me spinning head over heels
And I'm so proud to say that I'm your woman
'Cause when I say it out loud, it just rings, so I sing and start to shout
I'm your woman and I want the world to know it
So I try my best to show that I love you
I'm your woman, oh baby don't you know it?
If you don't just let me show ya, I love you
I love you, I love you, I love you, really do love you
I love you, I love you, I love you, and I know you love me too
I love you, I love you, I love you, baby I love you
I love you, I love you, I love you, and I'm not ashamed to say it
Proud to say I'm your woman
Because I'm so in love with you and I'm gonna tell the world
Proud to say I'm your woman

Because I'm so in love with you
Too many words can get in the way
I'll break it down and simply say
I'm always gonna be here for you, you
Proud to say I'm your woman
Because I'm so in love with you
Proud to say I'm your woman
Because I'm so in love with you
Nobody else can love me this way
And every night on my knees I pray
That the love you give is never ending
So in love with you, baby I love you
Proud to say I'm your woman
Because I'm so in love with you, so in love with you
Proud to say I'm your woman
Because I'm so in love with you
