

Plush (acoustic)

Stone Temple Pilots

And I feel that time's a wasted go
So where ya going to tomorrow?
And I see that these are lies to come
So would you even care? And I feel it
And I feel it Where ya going for tomorrow?
Where ya going with that mask I found?
And I feel and I feel when the dogs begin to smell her
Will she smell alone? And I feel so much depends on the weather
So is it raining in your bedroom?
And I see that these are the eyes of disarray
So would you even care? And I feel it
And she feels it Where ya going for tomorrow?
Where ya going with that mask I found?
And I feel and I feel when the dogs begin to smell her
Will she smell alone? When the dogs do find her
Got time, time, to wait for tomorrow to find it, to find it, to find it
When the dogs do find her
Got time, time, to wait for tomorrow to find it, to find it, to find it Where ya going for tomorrow?
Where ya going with that mask I found?
And I feel and I feel when the dogs begin to smell her
Will she smell alone? When the dogs do find her
Got time, time to wait for tomorrow to find it, to find it, to find it
When the dogs do find her
Got time, time to wait for tomorrow to find it, to find it, to find it
To find it, to find it, to find it
