

# Kingdom of Madness

## Magnum

When the night is on the run  
And your dreams are almost gone  
Seas of fire snatch your soul  
Beasts of morning then unfold  
In a whirlpool sadness creeps  
Shadows walk with silent feet  
Is there something in the air  
Turns your hope into despair?  
Despair  
Oh, kingdom of madness you've got me undone  
Oh, kingdom of madness you've really begun  
Oh, kingdom of madness you've got me on the run  
When the night is on the run  
And your dreams are almost gone  
Seas of fire snatch your soul  
Beasts of morning then unfold  
Take your hands away from me  
Leave my eyes so I can see  
It's not pleasure that you seek  
You destroy the ones who are weak  
Oh, kingdom of madness you've got me undone  
Oh, kingdom of madness you've really begun  
Oh, kingdom of madness you've got me on the run  
The minstrel sings as he looks at me  
But he doesn't make a sound  
And a lovely time is had by all  
As the jester plays around  
Everyone's laughing  
Everyone's laughing  
Everyone's laughing but me  
Oh, kingdom of madness you've got me undone  
Oh, kingdom of madness you've really begun  
Oh, kingdom of madness you've got me on the run  
Oh, kingdom of madness you've got me undone  
Oh, kingdom of madness you've really begun  
Oh, kingdom of madness you've got me on the run
