

# Perfect Love Affair (Opolopo Instrumental)

[Shaun Escoffery](#)

Taking my time in love  
Never ever could find the one  
Try to let all my feeling show  
But that's not me  
I've been looking my high and low  
Jut to carry on the show  
I've been going around, and I finally found  
The one I know is good for me,  
Finally I hear my heart starts singing  
WoaahChorus:  
I just wanna be alone,  
away from everything I know (everything I know)  
Looking out across the world  
Just you and me baby (you and me baby)  
Away from everything  
Ohh..My love (x4)  
You were married at 17  
You took away all your dreams, yea  
And you tried and you tried  
Believing the lies  
I know he nearly broke you baby  
It's time your heart started singing  
Ohh...  
Chorus (x2)
