

Hurt

Juice Newton

I'm so hurt
To think that you, you lied to me
I'm hurt
Way down deep inside of me You said your love was true
We would never, never ever part
(Never part)
But now you want someone new
And it breaks my heart, oh
(It breaks my heart) I'm hurt
(It's a new hurt)
Much more than you'll ever know
Yes, darling, I'm hurt
(Yes, I'm hurt)
'Cause I still love you so But even though you've hurt me
Like nobody else could ever do
(Like nobody else can every do)
I would never, never hurt you (I'm hurt) But even though you've hurt me
(Even though you've hurt)
Like nobody else could ever do
I would never, never hurt, hurt you (I'm hurt, I'm so hurt)
Oh, so hurt
