

# Broken (live 2015)

## Bullet for My Valentine

YeahSitting here alone with nothing left to say  
Staring at the world won't make it go away  
I need to show the world that I'm alive  
I have to break this silence, to empty out my wordsI will be heard  
Don't hold me back, don't try to pass it by  
This might be hard to handleDon't try to heal me when I'm broken  
I need to hurt for me to feel, feel anything  
Don't try to fix me when I'm broken  
I need to hurt for me to feel, feel anythingI need a darker place to go and find myself  
I don't want to hate or live with my regrets  
I have to show I'm strong and I'll survive  
I need to break this silence, better mark my wordsI will be heard  
Don't hold me back, don't try to pass it by  
This might be hard to handleDon't try to heal me when I'm broken  
I need to hurt for me to feel, feel anything  
Don't try to fix me when I'm broken  
I need to hurt for me to feel, feel anythingI need to break this silence, better mark my words  
I will be heardSitting here alone with nothing left to say  
Staring at the world won't make it go awayDon't try to heal me when I'm broken (broken)  
I need to hurt for me to feel, feel anything  
Don't try to fix me when I'm broken (broken)  
I need to hurt for me to feel, feel anything
