## **Redneck Crazy**

## **Tyler Farr**

Gonna drive like hell through your neighborhood
Park this Silverado on your front lawn
Crank up a little Hank, sit on the hood and drink
I'm about to get my pissed off onI'm gonna aim my headlights into your bedroom windows
Throw empty beer cans at both of your shadows
I didn't come here to start a fight, but I'm up for anything tonight
You know you broke the wrong heart baby, and drove me redneck crazyWish I knew how long it's been going

How long you've been getting some on the side
Nah, he can't amount to much, by the look of that little truck
Well he wont be getting any sleep tonightI'm gonna aim my headlights into your bedroom windows
Throw empty beer cans at both of your shadows
I didn't come here to start a fight, but I'm up for anything tonight
You know you broke the wrong heart baby, and drove me redneck crazy
Redneck crazyDid you think I'd wish you both the best, endless love and happiness
You know that's just not, the kind of man I am

I'm the kind that shows up at your house at 3 AMI'm gonna aim my headlights into your bedroom windows

Throw empty beer cans at both of your shadows

I didn't come here to start a fight, but I'm up for anything tonight

You gone and broke the wrong heart baby, and drove me redneck crazy

You drove me redneck crazy, oh yeah yeah
