Find Me an Angel

Ben's Brother

Sitting in my bedroom
Thinking of a love gone
Wondering why it went wrong
Over againYou didn't really know me
And it feels like you owe me
But I guess at least you showed me
Not to do it again'Cos I've been knocked out, found out
About time that it turned around
'Cos I've got to find the one thing
That will get me over you, soOne day, you've gotta find me an angel
Someone to save me
Someone to put me back together again
One day, you've got to send me an angel
'Cos I'm back at the beginning
But I'm holding out for more this timeI'm tired of being lonely
I'm getting to it slowly
But I'm running out of patience
Running out of strengthThere's got to be a reason
For everything I'm feeling
But I think I've learned my lesson
I'm never doing it again'Cos I've been knocked out, found out
About time that it turned around
'Cos I've got to find the one thing
That will get me over you, soOne day, you've gotta find me an angel
Someone to save me
Someone to put me back together again
One day, you've got to send me an angel
'Cos I'm back at the beginning
But I'm holding out for more this timeI'm not unbreakable
But what I'm trying to say
Is I don't think I am capable
Of doing this alone soOne day, you've gotta find me an angel
Someone to save me
Someone to put me back together again
One day, you've got to send me an angel
'Cos I'm back at the beginning
But I'm holding out for more this time
