

# Dirty And Left Out

## The Almost

Hello, I swear I won't be too long  
Hello, I promise I'll be real strong  
Wait up, I just wanna tell You  
Hold up, why are You still here? I've been dirtier  
Than You wanna know  
I've left earlier  
Than You'll ever know Why do You wanna be all listenin' to me?  
Why do You spread Your arms and tell me I'm free?  
Why do You wanna be in my life  
In my life? I've been dirtier  
Than You wanna know  
I've left earlier  
Than You'll ever know [Incomprehensible]  
[Incomprehensible]  
[Incomprehensible] Jesus, Jesus  
There's something about Your name  
Master, Savior  
Jesus I've been dirtier  
Than You wanna know  
I've left earlier  
Than You'll ever know Jesus, Jesus
