Lies (Alex Metric Remix)

Fenech-Soler

Look up look up I'm bleeding
How long how long till we're in love?
Wait by wait by your feelings
Am I am I just dreaming?
I want you to stop with me tonight
I want you to stop with me tonight
Look out look out I'm screaming
How many times do you have to...?Lies Lies
You're telling me white lies sleeping with another man
Lies Lies
You're telling me sweet lies sleeping with everythingLook out look out I'm moving
Don't stop don't stop or we'll never move
Stand by stand by your feelings
Am I the same or am I changing?Lies Lies
You're telling me white lies sleeping with another man
Lies Lies
You're telling me sweet lies sleeping with everythingCos you say white lies I say so longLies Lies
You're telling me white lies sleeping with another man
Lies Lies
You're telling me sweet lies sleeping with everything
