

Control Me

DJ Alien

I'll be your entertainment tonight
I show you what ever it is you like
Just sit back and enjoy the show
And kick your feet up boy here we go
I need all of your attention
You can admire *my* dimension
Been working on my definition for you
Tonight there is only one thing for you to do(2x)
 Remote control me
Push the buttons to turn me on please
Pick me up, put me on the wall please
 Just plug in the wire
Make my volume higher higher*Be my* remote control*Don't adjust the station it is just right*
 Name all your favorites I'll be that tonight
 Espn ain't nothing compared to this
 Think you've seen action nothing is like this
 Now I've got all of your attention
 You can touch on all my dimension
 Been working on my definition for you
 Tonight I'm a the only thing for you to do(2x)
 Remote control me
 Push the buttons to turn me on please
 Pick me up, put me on the wall please
 Just plug in the wire
Make my volume higher higherBe my remote controlOhhh feels like a fur
