

Pop Your Bubble (Cabaret Voltaire Remix)

[Kora](#)

Hey, hey, heyNever goin down like that no way
No wayDon't want no trouble, all I want is my money and I'm out on the doublePlay, play, play games if you
want but not me no way
No wayI'll pop your bubble and if you bring your next shhh
I'll lay you out on the doubleHey, hey, hey
I'll never go down like that no way
Right back on the double
I'll flip that coin if I have to
One thing I have to get back to
This hard work I came for
One thing I wont get paid for
