

# Gone

## Lianne La Havas

When I waited for you there was no show  
Made myself believe the untrue, how could I not know?  
But it seemed easier, just to lie  
But I found you out, this is my last goodbye I heard enough fairy tales back in my youth  
So just stop biting your nails and take the painful truth  
You just look ridiculous in your disguise  
Well I found you out, this is my last goodbye 'Cause it used to be my life and soul  
Keeping everything in tune  
What the heck man  
Last time I checked man  
We had it all, it was just me and you  
So what happened to you  
Thought I knew you  
No more chances  
I'm gone, gone, gone Love is not blind, it's just deaf and it is dumb  
So how could I fool myself thinking you were the one  
How sad, how undignified  
Now I found you out, this is my last goodbye 'Cause it used to be my life and soul  
Keeping everything in tune  
What the heck man  
Last time I checked man  
We had it all, it was just me and you  
So what happened to you  
Thought I knew you  
No more chances  
I'm gone, gone, gone  
Don't wait for me  
I'll be gone 'Cause when I waited for you there was no show  
Made myself believe the untrue, how could I not know? 'Cause it used to be my life and soul  
Keeping everything in tune  
What the heck man  
Last time I checked man  
We had it all, it was just me and you  
So what happened to you  
Thought I knew you  
No more chances  
I'm gone and gone and gone and gone 'Cause it used to be my life and soul  
Keeping everything in tune  
What the heck man

Last time I checked man  
We had it all, it was just me and you  
So what happened to you  
I thought I knew you  
No more chances  
I'm gone, gone,  
I'm gone, gone, gone
