She Keeps Me Warm

Kat Robichaud

You said I smell like safety and home
I named both of your eyes "Forever" and "Please don't go"
I could be a morning sunrise all the time
This could be good, this could be goodAnd I can't change, even if I tried
Even if I wanted to
And I can't change, even if I tried
Even if I wanted to
My love, my love, my love, my love
You keep me warm, you keep me warmWhat's your middle name?
Do you hate your job?
Do you fall in love too easily?
What's your favorite word?
You like kissing girls?
Can I call you baby?
Yeah, yeahAnd I can't change, even if I tried
Even if I wanted to
And I can't change, even if I tried
Even if I wanted to
My love, my love, my love, my love
You keep me warm, you keep me warmAnd I can't change, even if I tried
Even if I wanted to
And I can't change, even if I tried
Even if I wanted to
My love, my love, my love, my love
You keep me warm, you keep me warmMy love, my love, my love, my love
You keep me warm, you keep me warm
You keep me warm, you keep me warmAnd I can't change, even if I tried
Even if I wanted toLove is patient, love is kind [x4]
