

Listen With Your Heart

Casey Donovan

When you can't find your way through the night
When you've lost touch and nothings feeling right

You can't find that path that leads you on
And you don't know which road to choose

That's when you've got to

Listen with your heart

Listen to your soul

Inside you'll find the answer

The place you need to go

Listen with your heart

Your heart will let you know

No matter where you are

Just listen and your heart will lead you home

And when this world has got your mind confused

And when your faith has gone and run out on you

You can't find that faith in your soul

You don't know which road to choose

That's when you've got to

Listen with your heart

Listen to your soul

Inside you'll find the answer

The place you need to go

Listen with your heart

Your heart will let you know

No matter where you are

The truth is never far

Just listen and your heart will lead you home

We all lose our way some times

we all lose our faith sometimes

If you just believe and just be strong your heart will take you home

Listen with your heart

Listen to your soul

Inside you'll find the answer

The place you need to go

Listen with your heart

Your heart will let you know

No matter where you are

The truth is never far

Just listen and your heart will lead you home
The truth is never far
Just listen and your heart will lead you home
