

Chronic Youth

Raging Speedhorn

Type by Phil Smith

Source <http://www.ragingspeedhorn.co.uk> You will be dead tomorrow

If you dont read the signs

You tried to break the law

By kicking ass and getting high CHORUS

[Goodtimes]

We gotta drink some more alcohol

Whiskey and wine

[Goodtimes]

A good smoke is all I want

The chronic youth Fuck you and fuck we're drunk and proud

God save the chronic youth You said you loved to party

Bullshit you know you don't

You say you've got a problem

Get high until you choke REPEAT CHORUS Get the fuck up, back the fuck up

God save the chronic youth!

Get the fuck up, back the fuck up

God save the chronic youth! CRY! - The chronic youth! [x2]

We are the chronic youth! [x4] Get the fuck up, back the fuck up

One bang and your eyes are dry

Get the fuck up, back the fuck up

One sip and you're pissed and high!
