Killing Time

Joan Armatrading

When you're pleasure seeking
I'm left killing time, it's a homicide, a ritual
Don't treat a human like thatYou're very smart, you ignite my flame
After all is said and done
Baby, you're the only oneI don't get jealous
But when you say you love me
I only half believe
But baby, I could never leaveRight now is all I want, right here
Here is where you belong
With me as long as you stay with meYou'll see, I'm real good company
Sleight of hand
The way you play your tricksYou cheat on me all the time
But I turn my back
'Cos we had some good timesHere is where you belong with me
As long as you stay with me
You'll see, I'm real good company
