

I Can

Halloween

May I take you higher
Feed well your desire
We won't be forgotten
Foes left slain and rotten
I will have my way
As once before
Others stand in awe
Can't scorn at all
I can, I can, I can
Make it all again
I don't want to lose
I don't want to get drowned
I can, I can I can
Heed the call again
Fulfill my dreams until I'm cured
Some will leave here shattered
Wish us tarred and feathered
Show me anyone who doubts our ways
I will laugh out loud and I will say
I can, I can, I can
Make it all again
I don't want to lose
I don't want to get drowned
I can, I can I can
Make the call again
Can attain everything to leave you sure
I can
I can, I can, I can
Make it all again
I don't want to lose
I don't want to get drowned
I can, I can I can
Heed the call again
Fulfill my dreams until I'm cured
