

Hip to Hoo

Robert Plant

She's a vain broken promising
Tryin' to make me out a fool, fool, fool
Oh, cheat, cheat, cheat, don't do it now In your game, you play the maker
Your calculations make the rule, rule, rule Ooh, yes, you're breaking my heart
You breakin' my heart ooh, ah So strange, when I'm coming for you
You look and laugh and then you cry, cry, cry
Oh, cheat, cheat, cheat, don't do it now There's a change, withholdin' information
When I ask you, ask me why, why, why Stop stop, stop stop, stop stop, stop hurtin' me, baby
Stop again, stop again, stop again
Stop stop, stop stop, stop stop, stop hurtin' me, baby
Stop again, stop again, stop again Cheat, cheat, cheat cheat, cheat, cheat, cheat cheat, cheat
Stop stop, stop stop, stop stop, stop heartin' me, baby
Oh, stop again, stop again, stop again So sweet, oh, with your innocence
I've found the cutest step, so cute
Cheat, cheat, cheat, don't do it now She's a vain, broken promises
Tryin' to make me out a fool, fool, fool, yeah You're breaking my heart, oh yeah, you're breaking my heart
Oh yeah, give it to me baby, give it to me baby
I really want to know, I really want to know
Give it to me baby
