

There Goes the Fear

Doves

Out of here, we're out of here
Out of heartache along with fear
There goes the fear again
There goes the fear And cars speed fast, out of here
And life goes past again so near
There goes the fear again
There goes the fear Close your brown eyes
And lay down next to me
Close your eyes, lay down
'Cause there goes the fear, let it go You turn around and life's passed you by
You look to ones you love to ask them why ?
You look to those you love to justify
You turned around and life's passed you by
Passed you by again And late last night makes up her mind
Another fight left behind
There goes the fear again, let it go
There goes the fear Close your brown eyes
And lay down next to me
Close your eyes, lay down
'Cause there goes the fear, let it go You turn around and life's passed you by
You look to ones you love to ask them why ?
You look to those you love to justify
You turned around and life's passed you by Think of me when you're coming down
But don't look back when leaving town
Think of me when he's calling out
But don't look back when leaving town, yeah Think of me when you close your eyes
But don't look back when you break all ties
Think of me when you're coming down
But don't look back when leaving town today There goes the fear again, let it go
There goes the fear, let it go Think of me when you close your eyes
But don't look back when you break all ties, yeah
Think of me when you're coming down
But don't look back when leaving town today
