

Oh Brother

Soak

Full grown-up
Watching over me with your back bent out
So you missed the tide that put you under
Brother tell me
do you know where your going,
Cause i've been worrying if the feels are the same
Where is your warmth
Where is your heart
What is love if we've been torn apart
Oh brother can you stay with me
Where my feels are real
Pretend we are who we used to be
Before we forgot how to dream
