

Heart Full of Soul

The Yardbirds

Sick at heart and lonely, deep in dark despair
When you want her only, tell me where is she where?
And if she says to you, that she don't love me
Just give her my message, tell her of my plea
And I know, if I could have her back again, I would never make her sad
I got a heart full of soul I got a heart full of soul
She's been gone such a long time, longer than I can bear
But if she says she wants me, tell her I'll be there

And I know, if I could have her back again, I would never make her sad
I got a heart full of soul I got a heart full of soul
Sick at heart and lonely, deep in dark despair
When you want her only, tell me where is she where?
And if she says to you, that she don't love me
Just give her my message, tell her of my plea
And I know, if I could have her back again, I would never make her sad
I got a heart full of soul I got a heart full of soul
I got a heart full of soul!
