

# Destiny

Dave Hollister

Can a rose petal live without water drops?  
Can my heart live without you? Surely not  
'Cause a rainbow is what you gave me everyday  
Now I cant go on, Im devastated 'cause youre not here  
Girl, I know youre not  
In the mood for apologies  
But its killin me to think  
Of what Ive done to you  
But I realize that I was wrong  
And I, I dont wanna change  
Destiny  
(Were destiny)  
You and me, oh, cant you see?  
Destiny  
(Were destiny, oh girl) Now I had to face it  
The pain you feel from the man  
Who says he loves you  
And inside of all my tears  
Is fear that youll never forgive me  
Oh, I need a sign that youll remember  
That vow that holds us baby  
'Cause true love is never unofficial, its always pure  
Girl, I know youre not  
In the mood for apologies  
But its killin me to think  
Of what Ive done to you  
But I realize that I was wrong  
And I dont wanna change  
Destiny  
(Were destiny)  
You and me, oh, cant you see?  
Destiny  
(Were destiny, oh girl) Whoa oh  
Oh, oh, oh  
Oh, oh, oh, oh, oh  
Girl, I know youre not  
In the mood for apologies  
But its killin me to think  
Of what Ive done to you  
But I realize that I was wrong  
And I dont wanna change  
Destiny  
(Were destiny)  
Destiny  
Girl, I know that I mistreated you  
I know that I cant live without you  
I know that I mistreated you

I know that I cant live without you I realize  
That I was wrong  
And I dont wanna change  
Destiny, yeah  
(Were destiny)  
Destiny, yeah  
Oh, our destiny  
(Were destiny)  
Destiny  
(Were destiny) Come on back baby, oh  
I love you
