

Revive Us (Urban Mix)

Anointed

Ready or not
Change is comin?
Can you feel the Spirit rising in you
Has it been a while
Since you've felt the fire
And passion and joy anew?
Are you ready for a revelation?
We all know that there is so much more
We're in need of His inspiration
can't wait another day
Got to have it right away[Chorus]
Revive us again
Revive us again
Restore the joy of our salvation
Revive us again
Revive us again
Renew life within
Revive us! Love is alive
And exciting
If we only let it take control
Drink from the fountain
It's so inviting
It will strengthen and refresh your soul
Nothing can stop this revolution
When we're determined to see it through
If we believe that there is one solution
You know His name is Jesus
he's the one to free us[Chorus]
