

Enjoy Yourself

Impromp2

If you hear music from down the street
And you find yourself tappin' your feet
 Just ease on by if you want to
There's only one thing expected of you
 Enjoy yourself, have a big time
Dance a little dance, drink a little wine
 Come on in, the water's fine
 Enjoy yourself, let it all hang out
And you'll know exactly what I'm talkin' about
 If you come on over without a doubt
 You'll enjoy yourself
 Now you don't have to wonder what to wear
What in the world are you doin' alone over there
 While we're havin a ball, just shakin' it loose
 Now come on sweet baby, ain't no excuse
 Enjoy yourself, have a big time
Dance a little dance, drink a little wine
 Come on in, the water's fine
 Enjoy yourself, let it all hang out
And you'll know exactly what I'm talkin' about
 If you come on over without a doubt
 You'll enjoy yourself
 Oh, enjoy yourself, let it all hang out
You'll know exactly what I'm talkin' about
 If you come on over without a doubt
 You'll enjoy yourself
So come on over, you gonna really help out
 And you'll enjoy yourself
