

# I Don't Know You Anymore

Aretha Franklin

I would like to visit you for a while  
Get away and out of this city  
Maybe I shouldn't have called  
But someone had to be the first to break  
We can go sit on your back porch, relax  
Talk about anything, it don't matter  
I'll be courageous if you can pretend  
That you've forgiven me  
'Cause I don't know you anymore  
I don't recognize this place  
The picture frames have changed  
So has your name  
We don't talk much anymore  
We keep running from the pain  
But what I wouldn't give to see your face again  
Springtime in the city  
Always such relief from the winter freeze  
The snow was more lonely than cold  
If you know what I mean  
Everyone's got an agenda, don't stop  
Keep that chin up you'll be alright  
Can you believe what a year it's been?  
Are you still the same?  
Has your opinion changed?  
'Cause I don't know you anymore  
I don't recognize this place  
  
The picture frames have changed  
So has your name  
We don't talk much anymore  
We keep runnin' from these sentences  
But what I wouldn't give to see your face again  
I know I let you down again and again  
I know I never really treated you right  
I've paid the price  
I'm still payin' for it everyday  
So maybe I shouldn't have called  
Was it too soon to tell?  
Oh, what the hell?

It doesn't really matter  
How do you redefine somethin'  
That never really had a name?  
Has your opinion changed?  
'Cause I don't know you anymore  
I don't recognize this place  
The picture frames have changed  
And so has your name  
We don't talk much anymore  
We keep running from the pain  
But what I wouldn't give to see your face again  
I see your face  
I see your face
