Tailors

The Young Knives

Tailors are the best
See them running with their brollies
Workmen of the weekSew my buttons on
Theres no rushing perfection
Workmen of the weekButton, button, button, button
Needle, needle, needle, needle
Cotton, cotton, cotton, cottonWork the wordless week
Theres no drudgery in detail
Maker of the neatTailors are the best
And tailors get you dressed
Tailors are the bestLike their ancestors
They are people of great passion
Maker of the neatSewing, sewing
Sewing, sewing
