

# Grey

## The Crispies

[Verse 1]

Black's not my favorite color  
No it's not for me

White on white and I never  
Ever get it for free

Yeah it's not my favorite color  
And I wear this cheap skin cause it keeps me intact

Grey is my favorite color  
Oh can you teach me how to react

[Chorus]

Grey  
Grey  
Grey

[Verse 2]

Yeah it's not my favorite color  
And the people act strange when they're lied to

White on white I don't wanna  
Get it all for free

Grey is my favorite color  
And I know I need some help, but I don't wanna be saved

I like to be stuck in my corner  
Oh can you teach me how to behave

[Chorus]

Grey  
Grey  
Grey

[Bridge]

Grey is my favorite color  
You know that my favorite color is grey  
Grey is my favorite color

You know that my favorite color is grey  
Grey is my favorite color  
You know that my favorite color is grey  
Grey is my favorite color  
You know that my favorite color is grey

Grey Grey Grey Grey Grey Grey Grey  
Yeah Yeah Yeah Yeah Yeah Yeah Yeah  
(scream)

[Chorus]

Grey
