

She's New to You

Susan Maughan

She's new to you
She's new to you
What ever makes you think
That she'll be true to you?
I know right now she seems
The answer to your dreams
But you don't know her like I do

She'll run to you
Have fun with you
And when the novelty wears off
Be done with you
I'm on to all her tricks
She's only out for kicks
It's sad, but true

She'll take your heart
Then break your heart
Her kind of love and yours
Were always worlds apart
She'll love you like the last
Then leave you just as fast
I hope you'll never let her start

She's new to you
Too new to you
And I know what a girl like that
Can do to you
It's not too late, but please
Get rid of her while she's
Still new to you

It's not too late, but please
Get rid of her while she's
Still new to you
