Revolution

R3hab

I got a love that keeps on fighting, it keeps on
I got a heart that keeps on trying, it keeps on
We got this plan that keeps evolving, it keeps on
And even when our hope is broken, we keep on

People
There's so much for us to prove
So keep on
There's so much for us to do
'Cause we can start revolution, you and me
I said we'll start revolution
Just you and me

Start revolution

People

Start revolution

I got a love that keeps on fighting, it keeps on
I got a heart that keeps on trying, it keeps on
People tell me what you're gonna do
So keep on, show me what you're gonna choose
'Cause we can start revolution, you and me
I said we'll start revolution
Just you and me

Start revolution

Just you and me

Start revolution

People

Start revolution
