

# I Never Knew

## Pharez Whitted

I never knew a love like this before  
I never knew a love like this before For once in my life  
I believed in my heart that I had it all  
A love I can trust  
That would never ever let me fall When suddenly my heart started feeling  
Stares of love that were burning  
Building walls, building walls  
Closing all my doors to love I never knew a love like this before  
How it's burning inside me  
I never knew a love like this before  
How I wish she would know this I never knew a love like this before  
She's just killing me slowly  
I never knew a love like this before  
Oh, no, no, no, babe Closing my eyes, I just think to myself  
Will this nightmare end  
How many tears will I have to cry  
Till her heart does change But I don't want to wait  
I don't need to feel this way  
I just made a big mistake, big mistake  
Taking all her lies again I never knew a love like this before  
How it's burning inside me  
I never knew a love like this before  
How I wish you would know this I never knew a love like this before  
She's just killing me slowly  
I never knew a love like this before  
Oh, no, no, no, babe Now she's gone  
'Cause I'm letting her go  
Now she's gone  
Now I'm all alone  
Now she's gone, away I never knew a love like this before  
How it's burning inside me  
I never knew a love like this before  
How I wish you would know this I never knew a love like this before  
She's just killing me slowly  
I never knew a love like this before  
Oh, no, no, no, babe (I never knew a love like this)  
I never knew a love like this before  
How it's burning inside me  
(I never knew a love like this)

I never knew a love like this before  
How I wish you would know this(I never knew a love like this)  
I never knew a love like this before  
She's just killing me slowly  
(I never knew a love like this)  
I never knew a love like this before  
Oh, no, no, no, babe
